TIGER TALES

Principal's Message

Dear Parents and Students,

I can't believe Thanksgiving is next week! We have so many reasons to be thankful. Americans should all be thankful for our freedom to worship. I am very thankful for my family and friends and of course the privilege to be Principal of Trinity Lutheran School a Christian School with amazing staff and wonderful students and families

Fall Festival held on November 14th was great. All attending had an enjoyable time. Thank you to all these who assisted or participated.

Please mark your calendars and attend our Christmas programs. The program for Pre-K-4th grade "Just Chillin" will be in the Life Center, Tuesday December 15th at 6:30pm. Grades 5-8 will perform "One day in December" in the Life Center on Thursday December 17th at 6:30pm.

PTP is sponsoring a Holiday Gift Shop from December 7-11 for students to purchase small gifts. This is a store that will be set up at school, where they can do their own gift shopping for family and friends. The store will be open during school hours and their class will have its own special time to shop. There will be lots of wonderful gifts to choose from, all at low prices that students can afford. We need volunteers, if you can spare a few hours of your time, contact Jessica in the school office.

PTP is entering a float in the Kissimmee Christmas Parade on Saturday, December 12. Please contact Edwin Ramos, PTP President, if you can help. They also need donations of candy canes please.

Coach Miles is organizing a kids & adults Basketball game on Thursday December 3rd at 2pm. If you would like to participate and help the adults team please contact Jessica in the office.

Office & School closed next week!!

Sheila Miles,
Principal

No School Next Week!! Happy Thanksgiving Break

Christmas Raffle Reminder

**Remember to keep selling tickets and
turn the money in by December 4th
The raffle will be held on December
15th**

What is MindPlay Virtual Reading Coach?

MindPlay is dedicated to helping educators, students, and parents by providing technology based reading tools that give each student the specific instruction they need to be proficient readers. The program has instructional videos followed by engaging activities to reinforce the lesson. The program is easy to use and covers many levels of instructions. It also assesses the student to ensure mastery of the concept. On those instances where mastery is not achieved, the program will reteach the lesson in a different way.

This program is available to all students at Trinity Lutheran School and we have seen improvement in students' confidence with reading as well as their level of reading comprehension and fluency. Students can sign in at home. Most students know their log in information and are able to take advantage of these lessons at home.

If you have any questions about this program or need sign in information, feel free to contact your child's teacher.

Happy Reading!

Mrs. Hawkins, 4th Grade Teacher

December 12

***Please contact Edwin Ramos if you can
help with the float. Candy cane donations
will be collecting them in the office.***

**School office
will be closed
next week.**
