Principal's Message

Dear Parents and Students,

The PTP board wants to invite every family to join the PTP every year! Our Parent, Teacher, Partnership is a partnership among parents, principal, teachers and school/leaders. Together we strive to make Trinity Lutheran school the very best school possible for our children. The PTP is for everyone and benefits all our students! By joining the PTP you are supporting your child and telling them you feel their education is a priority.

I encourage all of you to attend the PTP meetings. The meeting is on Monday September 19. The general meeting begins at 6 pm in the Sanctuary. Students are welcome to attend although we do ask parents to please try to keep them quiet during the general meeting. As a reward, students who attend, with parents will be given a FREE NUTS DAY PASS and PTP will provide an ice cream party to the class with the greatest percentage of students attending. Attendance at these meetings also qualifies towards your volunteer hours.

Confirmation classes for 7th and 8th grade students will be starting in October 2nd. Letters were sent home to all parents of these students inviting them to come to an information meeting. Please contact Vicki, in the Church office if you plan on attending.

Remember, school starts at **8:00am** and a student is identified as being tardy if they are not in their classroom by **8:15am**. It is very disruptive to both the child and the rest of the class to arrive late once the

lesson has started. They are also missing out on valuable learning time.

Dismissal is **2:50pm** every day except Wednesday when it is **1:30pm**. If a student is not picked up by 3:05pm any day or by 1:45pm on Wednesdays, they will be taken to after care and charges will be incurred, at a cost of \$3.25 per half hour.

Please make sure you and your child have registered on schoolworx to not only keep up to date with their grades but also this is where teachers post important messages and keep you updated on what your child is learning.

After school clubs are available if your child would like to participate in any of them please contact the office. Five students is a minimum required number to attend. The club will not continue if we don't have more than five.
