# TIGER TALES

## Principal's Message

Dear Parents and Students,

I would like to Thank PTP for a successful Trunk or Treat. Thanks to teachers, parents, grandparents and families that came together and volunteered and donated. It was a great night and an unforgettable one. We could have not done it without you guys. The Haunted House was amazing—I am still looking for the one who threw a head at me!

Friday November 11th is Veterans Day. To commemorate this day, all students will gather around the flag pole and salute the raising of it.

Our next event will be the Santa Gift store which will be open from Monday December 4th - Friday 9th. We are in need of volunteers to help to decorate it and to open the store that week. If you are able to help please give your name to Marlynn in the office.

Have you seen the beautiful plants & flowers in front of the Fellowship Hall main doors. They have been planted and are looked after by our Gardening club. What an awesome job! Thank You Mrs. Zieg and our amazing young gardeners.

Thank you to all parents who have volunteered during the first 9 weeks. Please remember you are expected to volunteer a minimum of 15 hours per

9 weeks period. For every 2 completed volunteer hours you will be entered into a drawing. The winners of the 1st 9 weeks drawing were Vanessa Del Puerto & Lauren Riddle. Their prize was an Olive Garden \$25 gift certificate. Vanessa & Lauren are always willing to help in any areas in the school like setting up the book fair, helping teachers, helping in the lunch room, pictures days and much more Thank You Vanessa & Lauren.

We are still waiting for the final count of the recent book fair but we estimate to have made approximately \$700. Thank you to Ms Jessica and Ms Harvey for organizing this as well as all the parents who dedicated their time to help and to those who purchased books.

We also estimate to have made approximately \$800 from the recent Cherrydale fundraiser. Thank you Mrs. Jenkins for organizing this and everyone who supported it. This money will go towards purchasing much needed science equipment.

Each month we focus on a different charity to receive our chapel offerings and special gifts. The November focus is Operation Christmas our goal is to collect 225 Christmas boxes information was sent home this week. If you need more information, Mrs. Lisi is coordinating our Operation collection.

Sheila Miles,  
Principal
