# TIGER TALES

## Principal's Message

Dear Parents and Students,

Our school is once again rated 5 Stars on several web sites for prospective parents. Thank you to those parents who have taken the time to go on to the sites and make comments. "Great Schools" and "Rate My School" are two of the sites if you want to share what a fabulous school this is.

Several extracurricular clubs and activities are already organized and others will soon be starting, including some exciting new clubs. Please keep listening to announcements and reading the Tiger Tales for schedules and information.

Sponsors will make forms available for students to take home for parents to sign to grant permission to join a particular club. All fees are due upon completion of permission form.

Students need to listen carefully to their teachers for information on joining these clubs. There is a fee to join a club or activity. This pays for all the club expenses. All students participating must have a C grade or higher. Please contact the school office at 407-847-5377 or the club sponsor if you have questions. When the clubs ends, if a parent is not there to pick up their child, they will be taken to after care and charged accordingly.

At the start of every new school year it always takes a while for parents to get used to procedures regarding dropping off, picking up and parking. When dropping your child off you must follow the one way system and drop them off where the patrols are waiting, next to the art room. Please do not park in front

of the playground, walk them in to school and then drive out the same way—we have too many cars coming in that way. Also if you must park in the church parking lot, that is a one way system, drive in near the church main doors and leave at the other end of the parking lot. All directions are printed at the back of the student handbook that everyone received recently. Please remember, our students' safety is our main concern. If you have any questions, please see me. Thank you for your support.

This year we are once again awarding Random Acts of Kindness to students and faculty who are caught being especially helpful and kind to others. All nominated will have their names posted in the life Center and one every week will randomly be selected to receive a T-Shirt as well as a voucher for a kids meal at Burger King and Popeye's.

Please remember to email your child's teacher if you have concerns regarding homework etc. You should be checking their planner daily and they should be listing their homework

This year we have a new App which enables us to send instant texts to parents. This is very beneficial especially in the event of serious weather conditions. The App is Remind and if you have any problems accessing it please contact Mrs. Jenkins at [cheryl.jenkins@trinsch.org](mailto:cheryl.jenkins@trinsch.org).

# Thank You

To all volunteers who help around the school. We appreciate your help and everyone is welcome, but please make sure you have completed a background check first.

Field Trips are being planned. Do you want to chaperone? Have you completed a Background check? A new check must be completed every year.
