Saturday September 16
Church Service, 5 pm

Sunday September 17
Church Service 10:30

Monday September 18
PTP General Meeting
6pm Sanctuary

TIGER TALES

Principal's Message

Dear Parents and Students,

As we are in the midst of hurricane season, is important to know that our school follows the lead of the Osceola School District. If they cancel the Osceola public schools, then Trinity Lutheran School is also cancelled. We must hold school 180 days during the school year, so if a day is cancelled, it must be made up later in the year. Please keep alert to all weather reports on the radio, TV, and internet and watch for any notices of schools being open or closed from the Osceola School District. **Trinity Lutheran School will follow the lead of the Osceola School District. If the Osceola public schools are closed, then TLS is also closed!**

It is important for children to be in school for the full day. Federal Law states that children from kindergarten up must be in full time education. If you need to make appointments for medical or any other reasons, try to make them outside school hours. Children arriving late or leaving early are missing out on valuable tuition time as well as possibly disrupting the class routine. **If your child misses more than 15 days in any 9 week period they could be retained!**

If you have questions or concerns regarding your child's performance or behavior please contact your

child's teacher by email and they will respond. Please understand that arrivals and or dismissals are not the time to talk to teachers. The new grading program is currently being installed and data uploaded. Obviously this is a huge task as well as getting everyone trained to use the program. Thank you for working with us and if you need any information regarding your child's progress please email their teacher. It is also very important you check their planner daily as they should be listing homework etc.

Garden of Hope tutoring is starting next week. If you want your child to participate, please either contact their teacher or the office. This is a wonderful FREE opportunity for your child to receive extra help and assistance in areas they may be struggling. Spaces are limited.

If your child receives a scholarship there is some information that you should be aware. Student must abide the attendance policy. The parent or guardian listed on the check must endorse the check upon notification by the school that the check is available. If the cost to attend the participating private school is more than the student's funding amount for that academic year, the parent is responsible for the difference. Failure to do one of this may result in loss of scholarship. If you have any question please stop by the office.

Praying for everyone and their families to stay safe over the next few days. I

We're on the Web!

Trinitychurchandschool.com

PTP

"Now to HIM who is able to [carry out HIS purpose and] do super abundantly more than all that we dare ask or think [infinitely beyond our greatest prayers, hopes, or dreams], according to HIS power that is at work within us, to HIM be the glory in the church and in Christ Jesus throughout all generations forever and ever, Amen. - Ephesians 3:20,21

We are super excited to begin planning our first fundraiser Trunk Or Treat. For those that have participated before, we know how much fun we have celebrating as a family in a safe, interactive environment. And for the new families is an opportunity to meet and fellowship with other parents and students. There will be games, crafts, food, an absolutely terrifying and of course our famous trunk or treating. We will be sending a flyer soon to give everyone an opportunity to help us make this years party Spooktacular. Be blessed!

remind

Remind is a communication tool that helps teachers connect instantly with students and parents. Send quick, simple text messages to any device.

It's free please enroll.

Beginning this month we will be teaching a character trait to our students. The books will focus on Social & Emotional learning, literacy, diversity, cultural sensitivity and positive behavior.

This program will help them to build;

- Recognition of character strengths in self and others
- Empathy for others
- Self-efficacy in decision-making
- Positive collaboration and social interactions
- Critical thinking and reasoning
- Positive behaviors (what I do) as part of embracing character strengths (who I am)

Expression and application of character strengths at school, home, and in community.

This month character trait is **Honesty**. Please be part of this project by asking your child what they've learned and how can your family adopt the climate of caring at home.

Why join the PTP?
