TIGER TALES

Principal's Message

Dear Parents and Students,

The next PTP event will be Trunk or Treat on Friday October 27th. This is a Halloween delight for your children. Parents and church members decorate their car trunks for Halloween and bring lots of treats. Children go "Trick or Treating" from trunk to trunk. Watch for more details and requests for assistance—the PTP Board would love your help in making this a night of spooky fun for all.

Our first fundraising will be Cherry Dale and will start on October 4th when you will receive the booklets where you can order gifts, cookies, assorted food and magazines. The money from the orders should be sent in by no later than October 16. The money raised will be for science equipment.

The first Book Fair of the year will be held from Tuesday October 16th—Thursday October 20th. Ms. Harvey would welcome any parent volunteers to help make this an awesome fundraising event.

As we had already notified, we changed the program we were using to see the students' grades. The new grading system is more complete and has more tools for the benefit of parents, teachers and school. Beginning October 17 you will be able to log in and monitor grades, communicate with teachers and much more. Thanks for your patience. Parent/Teacher conference is on Monday October 16, please make sure to attend and address all your questions regarding your child. During this

conference the teachers will explain how to log in to the grading system.

Parents are responsible for the regular attendance of their children who are within the compulsory attendance age (6-16) as provided in Section 1033.21, Florida Statutes. In the last couple of weeks there have been many absences or students have left early consecutively. As per our handbook page 10 any prolonged absences in excess of ten (10) per semester must be accompanied by a note from a doctor. Failure to do so will result in the student failing the course and no credit will be given unless there are extenuating circumstances. The note from the doctor must be turned in to the office on the first day of the student's return, they will not be accepted after this time. Please remember when students are absent, tardy or leave early they are missing out on valuable teaching time that cannot be made up and therefore are missing out on valuable grades. We are by law obliged to report constant/repetitive absences to the county.

Have you completed your background check? To be able to participate in school events, field trips or volunteer around school you must complete a check every year. Forms are available in the office.

Sheila Miles
Principal
