TIGER TALES

Principal's Message

Dear Parents and Students,

October is National Cancer Awareness Month so we encourage all students to wear pink EVERY Friday to indicate their support. If the students wear pink shirts they do not need to pay N.U.T.S. money.

Don't forget there is **NO SCHOOL** next week on Friday, October 13 and Monday, October 16. The first nine weeks grading period ends on Thursday, October 12. Friday is a Teacher Work day to prepare grades, and Monday is a day set aside for parent/teacher conferences. **Tell the teacher in advance if you would like a Spanish translator for the conference.** Because the conference scheduling is tight, please be on time for your scheduled conference. Also, make sure the teacher knows if you will be placing other children in Tiger Town during your scheduled time. As we had already notified, we changed the program we were using to see the students' grades. The new grading system is more complete and has more tools for the benefit of parents, teachers and school. Beginning October 17 you will be able to log in and monitor grades, communicate with teachers and much more. Thanks for your patience.

Parent/Teacher conferences are on Monday October 16, please make sure to attend and address all your questions regarding your child. During this conference the teachers will explain how to log in to the grading system

PTP is sponsoring Halloween Fun with Trunk or Treat on Friday, October 27. This is a Halloween delight for your children. Please notify the school office if you would like to help at this event. Set up will start at 3:30pm with the festivities and party starting at 5:00. All decorated cars should be in position at 5:00pm. Festivities include games, crafts raffles PTP has also asked if any parents can

donate candies for prizes and gift bags please leave them in the office.

Please remember if you need to check your child out early, you must do so before 2:30pm, otherwise you will have to wait until the regular dismissal time. No students will be released between 2:30 and 2:50 as this is a busy time in classroom when teachers are reviewing homework assignments, and ensuring students have everything they need to complete these. If you arrive early to get in the car line please Do Not take down the chain- that is the responsibility of patrols at a designated time. Some classes are practicing running during P.E and use the lined roadway to teach the students to run in straight lines.

As events and field trips are getting under way if you have any photographs from these please send them to Mrs. Jenkins at; Cheyl.jenkins@trinsch.org, as she is coordinating all photographs for the year book.

For all parents and students in grades 5-10, please remember personal electronic devices (cell phones, lap tops etc.) are only allowed to be used on campus under the supervision and guidance of a teacher. Students are NOT ALLOWED to text, video other students or access any social media sites. Parents should be also following these guidelines and not text their child at school. If students or parents need to communicate they must do so through the school office. Failure to follow these rules and breaking the agreement that parents and students signed at the beginning of the year will result in losing the privilege of using these devices which in turn will cause problems as all curriculum in upper grades are online.

I am pleased to announce Ryan Hammond will be starting on Monday as 5th grade teacher. Please show him a warm Trinity welcome if you see him around campus.

Book Fair opens on Monday 16th- Friday 20th from
