## New Scoreboard is Hoisted into Place

The old FLC scoreboard has decorated our wall for many years. Unfortunately, for the last several it have been beyond repair. The Parent-Teacher-Partnership (PTP) bought a new scoreboard but it has been resting in the Activity Room for quite some time. A few months ago Brian & Daniel Miller took down the old components. Last week the final step occurred when the new scoreboard was put in place and wired. The new wireless controller will be used for both volleyball and basketball games played by our school teams. Thanks Dave Radius for his equipment and help without which we could not have got this done.

After making it through most of the 20-21 school year with only one COVID exposure, the last two weeks have seen three COVID incidents. In all three cases the students contracted the virus at home. None of the incidents were caused through exposure in our school. As a result, 4<sup>th</sup>, 5<sup>th</sup>, and 8<sup>th</sup> grade students have been moved to home instruction via zoom video conferencing with teachers. Fortunately, teachers who may have had exposure were all previously vaccinated.

### **Trinity Church Website Emerges from the Ashes**

Nearly three months ago our website at "[Trinitychurchandschool.com](http://Trinitychurchandschool.com)" disappeared. We could not see it online, nor could we access the administrative controls. Now, we have learned that our website may have been one of hundreds of websites lost in a data center fire. Earlier this week our website amazingly re-appeared, and all administrative functions are intact. We have been working on updates to all website areas. While this is a work in progress, please take time to review our church website and you will see that links to our Facebook, working donation buttons, and places where curious folks can send emails that will get proper attention, are all working. Hopefully, within a few weeks some currently missing photos and information will added, and we will be at 100%.

### **Trinity School 21-22 Registration is Underway**

Current parents have been invited to update their children's registrations for 2021-22 and 4540 postcards have been mailed to local residents in five postal carrier routes. We have already received several inquiries about enrollment. Please pass the word, "Trinity has a place for you." 2021-22 plans call for a return to 100% on campus instruction, sports programs, lunches in the FLC instead of social distanced in classrooms, and schoolwide activities which add excitement and energy to the campus.

### **Church Council Meeting on Tuesday, April 20<sup>th</sup>**

Church Council members have a full agenda for the April meetings as the date and manner of the semi-annual Congregation Meeting in May must be considered together with budgeting for the July 1 2021- June 30, 2022 fiscal year. Other important issues include: campus security, the ordination and installation of the pastors, staffing for the new

### **New Bulletin Introduced for English Language Worship**

Beginning this weekend, an Augsburg Fortress publication “Celebrate” will be used as part our weekly bulletin. Local information will be included on an insert. The entire worship service will be provided on the video screen and supplemented by the bulletin. Scripture readings, the Psalm, and a portion of both the gathering and sending hymn lyrics will be included in the new bulletin. This change is being made to simplify our bulletin for guests and reduce Vicki Miller’s workload. Please keep in mind that three years ago we had two employees running the business office. Vicki and the church officers have taken over all of that work to reduce our overhead costs. Vicki is now our Business Administrator and manages both church and school finances in QuickBooks software. ELW hymnals are available as you enter the Sanctuary if you want more than just the lyrics for each hymn. Please return books to where you picked them up at the end of the service.
